WHISKEY WIRED

EDITION

Cheers to our fellow tradesmen! We are getting you Whiskey Wired this fall! Whether you prefer your whiskey neat or on "Round Rocks", the Arsenal™ whiskey glasses will be a timeless addition to your bar. Set those glasses on your custom NHCS™ wood coasters while sporting your exclusive "No Hacks Clean Sets™" Arsenal™ T-shirt.

You can't have your whiskey without getting WIRED! This box includes popular Equalizer® cord and wire essentials. Plus, being an Arsenal™ member, you are the first to get Equalizer's NEW Guide Sheet Set! Equalizer® wants to make sure you're ready for a no hack removal followed by a clean set.

WHAT'S IN
THE BOX?

RAISE A GLASS!

\$20

2 · WHISKEY GLASSES

Cheers! Enjoy two custom lasered "Whiskey Wired" Arsenal™ 12.5oz tumblers. Perfect size and style for a classic ol' Fashioned or a fun and fresh Mojito!

2 · ICE BALL MOLDS \$8

On the rocks? Don't mind if we do with these 100% food grade circular silicone molds. These larger ice cube melts slower than other ice cubes so that you can enjoy your drink longer without diluting the flavor!

2 · NHCS™ COASTERS \$18

Clean sets are only for windshields! Toast. Drink. And make that clean set on your one-of-a-kind, engraved "No Hacks Clean Sets™" coaster.

\$25

NHCS™ ARSENAL™ T-SHIRT

GOT GEAR? You do now! Rep your NHCS™ style with a heather maroon Arsenal™ exclusive "No Hacks Clean Sets™" classic t-shirt.

WIRE GUARD

GWH366

\$28

On guard! We've got you covered for complete protection from your Squire™ Wire scratching any part of the body or paint during your removal.

Your protective guide to cutting with wire!
The wire guide will allow you to lead the wire along the interior of the body while preventing damageduring the cut.

WIRE GUIDE

DGE100

\$36

SQUIRE™ WIRE W/ GRIPTITES & WIRE STARTER

SQK224

\$41

Three is way better than one! This combo includes everything you need to prep your cut through the urethane! Use the wire starter to puncture the urethane and use the griptites to control the wire while cutting.

These are your answer for how to maneuver the wire from the wire starter to the griptites and into the wire guide.
No hassles and no pricked fingers!

WIRE GRABBER PLIERS & CUTTER

BNP516

\$16

RIPCORD™

RC100

\$40

You may be wired but cord is another great option for making your cut through tough urethane while slicing through windshield clips and posts.

NEW PRODUCT ALERT
Equalizer® Guide Sheets provide protection to the vehicle while using our cord and wire cut out tools by fitting underneath mouldings or encapsulation to provide a guide for the wire or cord when removing the glass.
