Sizzlin' Summer EDITION

PRYDADDY
PDT443
\$60

This set contains 12 tools of which 11 are specially shaped sticks and one is a hammer. They are for all of your prying, smoothing, spreading, removing, tapping, and pushing needs.

Designed to remove rivet stems with the hammering device built into the EasyPunch™, which is delivered with a simple push on the handle. Eliminates the need for hammering.

EASYPUNCH

**29 PIECE
SCREWDRIVER SET**
ESS766
\$27

With this screwdriver set, you will always be with the right screwdriver. The 8" magnetic screwdriver has a steel shank, stainless steel bit holder, and high-impact solid plastic handle.

To install quarter glass it is often necessary to remove seats, interior quarter panels, and even seat belts. Most of these are held in place by a Torx® bit.

**SUPER TORX®
BIT SET**
