10 MM SOCKET SET
includes five-10mm x 25 1/4" Sockets, five-10mm x 50 1/4" Sockets, 1/4" nut driver, and Equalizer® 1/4" ratchet

You can call off the search and rescue team for those missing 10 mm sockets that always seem to vanish, or at least until these disappear too.

Made of high-quality, chrome vanadium steel with a lifetime warranty.

Don't leave money on the table by turning down defroster repair. One of the easiest add-on services you can bring to your business is grid repair and replacing defroster tabs. We've included a starter pack to get started or replenish your current kit.
